Public Planning Meeting

This Public Planning Meeting serves to gain community input to develop a Method of Distribution (MOD).

CAPCOG is facilitating public meetings/hearings and will develop an MOD to submit to the Texas General Land Office (GLO).

General Land Office (GLO) will administer the programs in the Action Plan.

CDBG-MIT Funding

US Housing of Urban Development

- Allocated \$22,000,000 to the four (4) CAPCOG counties impacted by Hurricane Harvey (Bastrop, Caldwell, Fayette, Lee counties) for the purpose of addressing hazard mitigation needs in those counties that received a Hurricane Harvey presidential major disaster declaration (DR-4332).

TX Governor’s Office

- The Office of the Governor (OOG) designated TX GLO to administer the CDBG MIT funds. GLO developed an Action Plan that proposes use of funds / eligible activities. The Action Plan addresses hazard mitigation efforts to lessen the impacts from future disasters.

TX General Land Office

- Submitted an amendment to increase the amount allocated for the four (4) impacted CAPCOG counties to \$52,253,000

5

CDBG-MIT Funding

Region	Total Allocation	Amendment 1
AACOG	\$12,805,000	\$29,888,000
BVCOG	\$10,729,000	\$25,041,000
CAPCOG	\$22,388,000	\$52,253,000
CBCOG	\$76,927,000	\$179,547,000
CTCOG	\$2,900,000	\$6,769,000
DETCOG	\$69,213,000	\$161,542,000
GCRPC	\$34,412,000	\$80,317,000
HGAC	\$209,410,000	\$488,762,000
SETRPC	\$61,216,000	\$142,878,000

The table identifies the amounts each COG is allocated in the Action Plan. The table outlines the budgets for HUD MID counties, the remaining State MID counties, and the amounts that must serve low- and moderate- income (LMI) populations.

Each COG allocation amount for the Regional Mitigation Program was calculated using a weighted sum allocation model that accounted for total population data, the Composite Disaster Index (CDI), the Social Vulnerability Index (SoVI), and the Per Capita Market Value (PCMV) of property in each county.

These factors were analyzed at the county level and developed into a formula that distributed funds to COGs to then redistribute to counties and units of local government.

5/9/2022 Capital Area Council of Governments 6

6

CDBG-MIT Funding

Each COG will develop a method of distribution (MOD) to allocate funds to local units of governments and Indian Tribes.

The GLO encourages the prioritization of regional investments with regional impacts in risk reduction to develop disaster-resistant infrastructure including upgrading of water, sewer, solid waste, communications, energy, transportation, health and medical infrastructure, and natural mitigation infrastructure.

7

7

CDBG-MIT Funding

Develop a strategic plan to meet the 50% low- and moderate- income (LMI) benefit requirement.

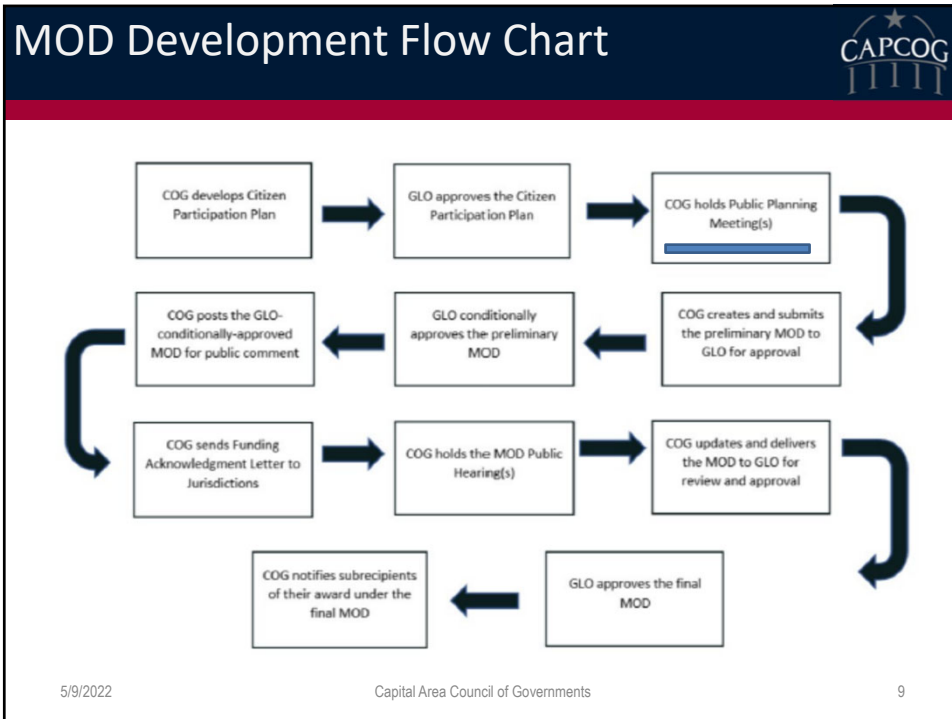

LMI information is available through HUD's website.

Ineligible Activities

- Emergency response services.
- CDBG-MIT funds may not be used to enlarge a dam or levee beyond the original footprint of the structure
- Funds may not be used to assist a privately owned utility for any purpose
- Buildings and facilities used for the general conduct of government (e.g., city halls, courthouses, and emergency operation centers)
- No federal disaster relief assistance made available in a flood disaster area may be used to make a payment (including any loan assistance payment) for “repair, replacement, or restoration” for damage to any personal, residential, or commercial property if that person at any time has received federal flood disaster assistance that was conditioned on the person first having obtained flood insurance under applicable federal law and the person has subsequently failed to obtain and maintain flood insurance as required under applicable federal law on such property. No disaster assistance may be provided for the repair, replacement, or restoration of a property to a person who has failed to meet this requirement
- If the property is purchased through the use of eminent domain – public use only
- Incentive payments to households that move to disaster-impacted floodplains
