CAPCOG’s Criminal Justice Program is designated by the Office of the Governor’s Criminal Justice Division (CJD) for regional coordination efforts on the subject in the 10-county State Planning Region 12 area. The program provides technical assistance to applicants for CJD grant funding opportunities to include criminal justice, juvenile justice and victim services-related programming. CAPCOG’s Criminal Justice Program and Criminal Justice Advisory Committee review and update or create a regional strategic criminal justice plan annually. Each year application scoring done by the committee is based on local, regional and state priorities.
